

FJFC Under 12 Gold

Round 12

From The Coach's Box

"U12 Gold - winning streak comes to an end"

A disappointing result today as our first half of football was very poor. We lacked discipline and hardness at the ball and allowed Canterbury to get first use at each contest. We were not switched on at all. Our second half showed much greater resolve and we got back to the basics of team work, sharing the ball around and running hard, we outscored Canterbury easily.

What is important to remember as we move towards the finals is that reward will only come from hard work. Something we have shown plenty of this season and today's result should give everyone the motivation to work harder, be committed to each other and focus on winning every contest.

I'm looking forward to training this week, see you all there on Wednesday. Go the Roys!
