

FJFC Under 13 Gold

Round 1

From The Team Managers

“First Up Win Always Good but Guard Against Complacency”

Congratulations Team on an emphatic victory – so emphatic that we don't yet have a percentage! It was great to see players looking out for team members, running past to receive handballs, shepherding and tackling and for us to kick over 100 points to start the season. It was also a highlight to see the ball moved forward so well into the wind in the 1st and 3rd quarters. However, we came up against Canterbury's 2nd side and there is absolutely no doubt that their 1^{sts} will be much tougher opposition. We probably need to think of this as the practice match no other team would give us last week (although the premierships points and the margin will all help later in the season).

We've got a big challenge ahead of us next week against Ivanhoe. They belted Kew Rovers in an away game today. Let's all put in hard this week as we prepare for Round 2.
